## **DUAL CREDIT PROGRAMS SEMESTER 2 2017 - 2018 SCHOOL YEAR INFORMATION EVENING**

---

### **Program #1 Oil Field Operator Certificate**

The Oilfield Operator Training Program can provide you with well-rounded operations training so you can work in the oil and gas industry. You will learn about oil and gas productions, industrial safety, and environmental issues. This is a hands-on program, so you will operate equipment and become familiar with the worksite

**Oil and Gas Operator Dual Credit Program, Northern Lakes College**

**Start Date: February 1, 2018**

**Face to Face, May 7- 11 Peace River Alberta, Northern Lakes College**

### **Program #2 Floor Hand Rig Technician**

The Northern Lights Service Rig Program consists of two parts: our 5-credit [Energy Education 35-5: Orientation to Service Rigs](#) online course that can be completed at Fox Creek School and our 2-credit Service Rig Safety and Floor Hand Experience Special Project which is delivered on site at our [Trades Exposure Centre](#).

**Floor Hand Rig Technician, Northern Lights School Division**

**Start Date: February 1, 2018**

**Program #3 Explore Your Future One and Two Week July 3-13**

Summer Career Exposure Boot Camps

Start Date: July 3, 2018 or

Hilltop High School , Whitecourt Alberta
