**STUDENT CENTRED.
FUTURE FOCUSED.**

We invite you to experience the world of **Fine Arts** - visual arts, music and drama! Come meet Carmen Gorgichuk, the Chair of the department, **on Thursday, March 25th, 2021 from 5:00 pm – 7:00 pm MDT (via Zoom)**. You will be able to ask questions of our fantastic faculty in real-time and we will share important information on how to apply to the Fine Arts programs so you can start planning for your future this fall.

Despite the challenges of the past year, our Fine Arts students have had a very positive experience as the department found a good balance with safety measures to offer hybrid learning - some in-person classes for those critical elements of your learning, and other lecture courses delivered remotely. Regardless of your learning style, we can help you meet your goals to pursue a career in the arts! We look forward to seeing you - please register to reserve your spot.
